Read- Docket from the Comr Burdwan Divn No. 238 dy. 8th February /78, submitting certain Revenue returns for December 1877.

Order thereon.

On an examination of the Return - class V. No. 1 - recd with the above, shewing Bazar collections, it is observed that the total receipts in the Goaipat taluk of the Bangalon Dist, amount to Rs 46-10-8, while the sums payable to mandals is shewn as Rs. 797-3-0, and these amounts are stated to be for the same month - December 1877. It seems improbable that the deductions could so largely exceed the receipts, and an explanation on this point is requested.

Bby. 2-4-78.

The explanation in para may be accepted with regard to the Sayer collections in the Kolar District during the 8 months from which it will be seen that since 1872/73 there has been a great falling off in the receipts. From April/77 the duty collected was Rs 1552, while the expenditure amounted to Rs 1568. I think that a thorough revision of the

sussing system of Sayer collection is called for. This may be pleaded as the matter will be taken up for consideration on receipt of the reports called for in para 3 of this Office Ro No 10557 of 1 March/78.

To.

The Secretary to the
Chief Commissioner of
Mysore.

Sir,

Adverting to the observations contained in the Chief Commissioner's Proceedings No. 3737/82 of the 27th Ultimo, I have the honor to state that the deductions shewn in the Return Class V No. 1 for December last were, on account of the payments of Sayer Revenue to Enamdars for the three quarters ending 30th June, 30th September and 31st December 1877, as per Chief Commrs orders No. 7704/14 of the 27th November last, and without any reference to the actual collections in the said month.

2. I beg to submit copy of a letter from the Dy. Com.

Commissioner of the Kolar District,
explaining the cause of the
falling off in the receipts
of Sayer Revenue of his Dis-
trict during the above period.

To,

The Commissioner
Sindhadoog Division.

Sir,

In reply to your docket No. 8448 dated 9th Instant forwarding for my information, by trail from the Chief Commissioner's proceedings No. 3737 of the 27th February, regarding the excessive expenditure incurred in this District on account of Sayer Collections from April 1876 to 1877, I have the honor to state that the existing sources of Sayer income are the marginally noted ones. Of these Cardamom is not grown in this District while Sufari and Cocoanut are grown to a limited extent. Tobacco and Potatoes were not cultivated last season owing to the unfavorable nature of the season. Betel leaves are the only well paying source of Sayer income in this District, but the demand for this article of luxury has evidently gone down considerably in consequence of the famine, besides its growth being much affected by the drought.

2. Under these circumstances, the

1. Sufaree.
2. Tobacco.
3. Betel leaves.
4. Cardamom.
5. Cocoanut.
6. Thorl do
7. Potatoes

the cost of the Sugar establishment has exceeded the income for the months in question.

I have &c.
